HAKKIMIZDA

Proturk Profil San. İç ve Dış Tic LTD ŞTİ İstanbul Beylikdüzü OSB’de bulunan fabrikamız ile sektöründeki en geniş makina parkuruna sahiptir.

Paslanmaz Çelik Yapı Ürünleri alanında tamamı kendi üretimimiz olan ürünleri 4 kıtada 46 ayrı ülkeye ihraç etmekteyiz. Paslanmaz çelik dekorasyon profili konusunda yılda 1200 ton paslanmaz çelik profil işleme kapasitesiyle Türkiye’de tonaj lideridir. Üretimimizin %80’ini yurtdışı pazarlarına ihraç eden, firmamız ülkemize önemli bir döviz girdisi sağlamakta ve yurtiçinde en önemli projelere çözüm ortağı olmaktadır. Proturk ekibi olarak

çalıştığımız firmaları müşteri değil iş ortağı olarak görüp menfaatlerini korumak için sürekli ürün yelpamize ekonomik ve kullanışlı ürünler eklemekteyiz.

Yurtiçi ve yurtdışında gerçekleştirilen seramik fuarlarına katılım göstermekte ve ARGE departmanımız ile sürekli yenilik için aralıksız çalışmaktayız.

ABOUT US

Proturk Profil San. İç ve Dış Tic LTD ŞTİ has the largest machine park in the sector with our factory located in İstanbul Beylikdüzü OSB.

In the field of Stainless Steel Construction Products, we export our products, all of which are our own production, to 46 different countries in 4 continents. It is the tonnage leader in Turkey with its annual stainless steel profile processing capacity of 1200 tons in the field of stainless steel decoration profiles. Our company, which exports 80% of its production to foreign markets, provides an important foreign currency input to our country and becomes a solution partner for the most important projects in the country.

As Proturk team we see the companies we work with as business partners, not customers, and we constantly add economical and useful products to our product range in order to protect their interests.

We participate in ceramic fairs held in Turkey and abroad, and we work uninterruptedly for continuous innovation with our R&D department.
